

AutoMyst 2 Touchless Hand Sanitizer Dispenser

Increase compliance and reduce cross-contamination with our newly improved AutoMyst 2 Touchless Dispenser.

- Touchless dispenser helps eliminate cross-contamination.
- Improved **dual-infrared sensor** technology detects the presence of hands.
- No-clog pump delivers a pre-measured application of atomized hand sanitizer spray.
- The AutoMyst 2 can be placed on countertops and other flat surfaces, wall-mounted or used with a portable floor stand.
- Includes reusable atomizing pump kit (JPP10007) and 4 D-Cell batteries.
- Available Options:
 - Catch Tray JPP10090 (shown)
 - Portable Floor Stand KTS1010
 - Replacement Pump Kit JPP10007

Catch Tray
JPP10090
sold separately
