

January 2, 2020

Expiration Dating is based upon real time stability data which is conducted to confirm the expiry date and to provide evidence the product will continue to be safe and efficacious for at least the time indicated on the container. The table below lists the expiration date for ALPET products.

Product	Expiration
ALPET E3+	2 years from the date of manufacture
ALPET E3	2 years from the date of manufacture
ALPET Q E2	2 years from the date of manufacture
ALPET E2	2 years from the date of manufacture
ALPET D2	2 years from the date of manufacture
ALPET D2 Quat-Free	1 year from the date of manufacture
ALPET Quat	1 year from the date of manufacture
ALPET D2 Wipes	1 year from the date of manufacture
ALPET E1	No expiration date
ALPET E4	No expiration date
ALPET 70/30	No expiration date

Regards,

A handwritten signature in blue ink, appearing to read 'C. Linville', is placed above the typed name.
