Letter of Guarantee

Best Sanitizers, Inc. guarantees HACCP Q E2 Sanitizing Liquid Soap is an effective Hand Sanitizer Compound under the intended conditions of use as outlined on the product label. Best Sanitizers, Inc. certifies that HACCP Q E2 Sanitizing Liquid Soap complies with earlier USDA guidelines for E2 Handwashing and Sanitizing Compounds for use as a hand wash in food processing and food handling areas in official establishments operating under the Federal Meat and Poultry Inspection Program. This certification is based on a review by Best Sanitizer, Inc. establishing that the product meets current FDA and USDA requirements for hand washes.

The Liquid Soap is produced under cGMP at an EPA and FDA registered facility. Our products are required to be prepared, packed and held under sanitary conditions. Our facility is monitored and we have internal Environmental Controls, Pest Control and Cleaning / Sanitizing Processes. Our raw chemistry components are USP or comparable grade. In addressing the issue of Allergen proteins, the ingredients are refined to remove any plant or animal proteins prior to manufacturing.
