Letter of Guarantee

Best Sanitizers, Inc. certifies that Smart-San All-Purpose Wipes are effective when used according to product label directions and can be used as a cleaner on hands and surfaces. Smart-San All-Purpose Wipes also meets the requirements of *Sanitation Performance Standards Compliance Guide* section 416.4 and 21 CFR 110.35(b) for cleaning chemicals.

Smart-San All-Purpose Wipes contains natural emollients to soften and moisturize hands. They are suited for use in the food service, grocery industry, healthcare, education, industrial hygiene and the front office of food processing plants.

Smart-San All-Purpose Wipes are to be used undiluted. The hands need not be rinsed following use of the wipes. Food contact surfaces must be thoroughly rinsed with potable water after usage.

Sincerely,

A handwritten signature in blue ink, appearing to read 'C. Linville', is positioned above the typed name.
