USP10255

Stainless Steel Wall-Mounted
Bracket for Wipe Canister

**Wipes sold separately*

USP10256

Stainless Steel Wall-Mounted Bracket
for Wipe Canister and Quart Bottle

**Sanitizer and wipes sold separately*

USP10257

Stainless Steel Wall-Mounted Bracket for Wipe
Canister, Quart Bottle, and Liter Bottle

**Sanitizer and wipes sold separately*

Features:

- Wall-Mounted Sanitizer Stations for convenient pathogen reduction
- Units can go anywhere employees need convenient access to Alpet sanitizing products
- Multiple placements create employee awareness and promote frequent use = increased pathogen reduction
- Made in the USA from heavy-duty, 14g 304 stainless steel for strength and durability
- Open design for easy washdown
- 10° slope on top surface for water drainage
- 1" flanges with 0.25" mounting holes*

**We recommend using spacers to move the bracket away from the wall and eliminate difficult to clean areas.*

Accessories:

- SS10009 Alpet D2 4x1 quart bottles (includes 4 trigger sprayers)
