To Whom It May Concern,

ALPET D2 Quat-Free Surface Sanitizer is an alcohol surface sanitizer/disinfectant formulated for application to surfaces and water sensitive equipment. The ingredients are Water, ethanol, isopropyl alcohol, and acetic acid. None of these is generally recognized as allergens.

In preparing the formula, there are no soy components, almond oil, peanut components, tree oil, gluten, sesame seeds or other well-known allergens added.

Sincerely,

A handwritten signature in black ink that reads 'Tarah Justice'.
