Letter of Guarantee

Best Sanitizers, Inc. guarantees the compounds noted below are safe and effective under the intended conditions of use as noted on the product label or specified in a Standard Operating Procedure (SOP). All compounds are safe and effective for use in all food processing plants, including USDA inspected facilities, when used as directed on the compound labeling and/or as directed by Best Sanitizers representative. All compounds conform to USDA's "Sanitation Performance Standards Compliance Guide (Appendix 2: Chemical Use)". Not all compounds require declaration on food labeling under Title 7 (part 59) and Title 9 (parts 317 and 381). The specific chemical ingredients of the compound are traceable in the event of food contamination.
