Letter of Guarantee

Best Sanitizers, Inc. guarantees Smart-San ES Hand Sanitizer Spray is an effective Hand Sanitizer Compound under the intended conditions of use as outlined on the product label and will not adulterate food products. Best Sanitizers, Inc. certifies that the product complies with earlier USDA guidelines for E3 Hand Sanitizer Compounds for use as a hand sanitizer in food processing and food handling areas in official establishments operating under the Federal Meat and Poultry Inspection Program.

This certification is based on a review by Best Sanitizers, Inc. establishing that Smart San ES Hand Sanitizer Spray meets current USDA and FDA requirements for Hand Sanitizers. The product is formulated from GRAS rated compounds and is used undiluted and should be dispensed from Best Sanitizers, Inc. dispensers. Smart-San ES Hand Sanitizer Spray is also acceptable for use as a hand sanitizer for all non-food applications. The product is manufactured without Fragrance.

EXPIRATION DATING:

Best Sanitizers, Inc. expiration dates our products for customers operating under HACCP guidelines and to meet applicable FDA ordinances. The product is stable for periods of 24 months in most packaging, specific exceptions may be made for some package types, see package for dates.

E3 Hand Sanitizing Compounds

The compounds must be dispensed from adequate dispensers located a sufficient distance from the processing line to prevent accidental contamination. The hands must be washed and thoroughly rinsed prior to sanitizing with the compound. The hands need not be rinsed with potable water following the use of the compound. The compounds must always be used at dilutions provided on the label and according to applicable directions. The compounds have been accepted on the basis of their equivalency to 50 parts per million chlorine.

Sincerely,
