Letter of Guarantee

Best Sanitizers, Inc. certifies that SmartSan Hand Sanitizer Foam complies with the current USDA Sanitation Performance Standards for Hand Sanitizing Compounds for use as a hand sanitizer in food processing and food handling areas in official establishments operating under the Federal Meat and Poultry Inspection Program. This evaluation is based on meeting regulatory requirements including FDA 21 CFR for appropriate use, ingredients and label review.

SmartSan Hand Sanitizer Foam is registered with NSF International/ Non Food Compounds Registration Program as an E3 Compound:

"This product is acceptable for use a hand Sanitizing product (E3) in and around food processing areas. This product may be used only after thoroughly washing hands with soap or detergent and water, followed by rinsing with potable water. A potable water rinse is not required after use of this product."

NSF Registration No. 141988

SmartSan Hand Sanitizer Foam is produced under cGMP at an FDA registered site and labeled following current FDA guidelines.

A handwritten signature in blue ink, appearing to read 'C. Linville', is positioned above the typed name.
