It took a lot of hard work to design something this easy to use.

Our goal was simple: design a hand hygiene system that was versatile, compliant and easy to use. Our VersaClenz Hand Hygiene System is all that and more. At the center of our system is the VersaClenz dispenser, a sturdy and reliable workhorse available as a touchless or manual. It puts hand hygiene compliance in the palm of your hand.

IMPORTANT: VersaClenz Touchless Dispensers are battery operated and should not be used in wet or washdown areas.

ADA Compliant

Universal cartridge holds up to 1250mL of soap, sanitizer, foam, liquid or lotion.

Soft cartridge optimizes evacuation and minimizes product waste.

Removable actuating mechanism assembly.

Up to 100,000 applications and 9 months to 1 year on 4 D-Cell batteries - included.

Durable construction suitable for high traffic areas. Case is splash resistant and easy to clean.

Removable security key for controlled access

Permanent key for unrestricted access

Optional Catch Tray:
Black JPP10088
Translucent JPP10091

The BrandStand™ takes hand hygiene and in-store promotions to a new level. Great for communicating specials, corporate messages, cross-promotions, revenue generating sponsorships or just letting your customers know you care about their health.
