

# Simple, Versatile, Compliant.

# The VersaClenz All-In-One Hand Hygiene System

# It took a lot of hard work to design something this easy to use.

Our goal was simple: design a hand hygiene system that was versatile, compliant and easy to use. Our VersaClenz Hand Hygiene System is all that and more. At the center of our system is the VersaClenz dispenser – a sturdy and reliable workhorse available as a touchless or manual. It puts hand hygiene compliance in the palm of your hand.

**IMPORTANT:** VersaClenz Touchless Dispensers are battery operated and should not be used in wet or washdown areas.

ADA Compliant

Universal cartridge holds up to 1250mL of soap, sanitizer, foam, liquid or lotion.

Soft cartridge optimizes evacuation and minimizes product waste.

Removable actuating mechanism assembly.

Up to 100,000 applications and 9 months to 1 year on 4 D-Cell batteries - included.

Durable construction suitable for high traffic areas. Case is splash-resistant and easy to clean.

Removable security key for controlled access

Permanent key for unrestricted access

## ***The VersaClenz All-In-One Hand Hygiene System Has You Covered.***

It's just that simple. One dispenser gives you access to our entire line of VersaClenz compatible products. So no matter what industry you're in, we've got a solution to meet your demanding requirements. Need a mild hand soap and sanitizer solution for your office and restrooms? We've got it. Need an industrial cleanser and sanitizer for tough environments? We've got that too. We've taken a comprehensive approach to ensure that you find the hand hygiene solution that's right for you... before, during and after work.
