To Whom It May Concern,

ALPET D2 Surface Sanitizer is an alcohol/quat surface sanitizer/disinfectant formulated for application to surfaces and water sensitive equipment. The ingredients are Water, isopropyl alcohol, glycerin, and dimethylammonium chloride. None of these is generally recognized as allergens.

In preparing the formula, there are no soy components, almond oil, peanut components, tree oil, gluten, sesame seed or other well-known allergens added.

Sincerely,

A handwritten signature in black ink that reads 'Tarah Justice'.
