Letter of Guarantee

Best Sanitizers, Inc. guarantees that Alpet Q E2 Sanitizing Foam Soap is safe and effective as a Hand Sanitizer Compound under the intended conditions of use as outlined on the product label. Best Sanitizers, Inc. certifies that ALPET Q E2 Sanitizing Foam Soap complies with earlier USDA guidelines for E2 Handwashing and Sanitizing Compounds for use as a hand wash in food processing and food handling areas in official establishments operating under the Federal Meat and Poultry Inspection Program. This certification is based on a review by Best Sanitizers, Inc. establishing that ALPET Q E2 Sanitizing Foam Soap meets current FDA and USDA requirements for hand washes, and is formulated to USDA and FDA current standards.

ALPET Q E2 Sanitizer Foam Soap is registered with NSF International/ Non Food Compounds Registration Program as an E2 Compound:

"This product is acceptable for use as a hand washing and sanitizing product (E2) for use in and around food processing areas.

NSF Registration No. 143188

This product should be dispensed from adequate dispensers located a sufficient distance from the processing line to preclude accidental product contamination. The hands need not be washed prior to the use of this compound. After the use of the compound, the hands must be thoroughly rinsed with potable water.

ALPET Q E2 Sanitizing Foam Soap is produced under cGMP at an FDA registered site and labeled following current FDA guidelines. When used following label instructions ALPET Q E2 Sanitizing Foam Soap will not adulterate food products.

Sincerely,

A handwritten signature in dark ink that reads 'Tarah Justice'.
