BSI-275

Concentrated Liquid Warewashing Detergent

Highly concentrated fragrance-free liquid detergent designed to remove tough, baked-on foods for manual warewashing. Efficiently coats and covers surfaces. For best results, soak dishes prior to scrubbing. Does not contain phosphates.

DIRECTIONS: Recommended dilution is 1:32 – 1:40. Apply by directly pouring and manually diluting or via a dilution machine. Allow objects to soak before scrubbing and rinsing. Intended for, but not limited to, 3-sink systems. Not intended for dish washing machines.

REORDER: BSI2751, BSI2752, BSI2753
